## OCALA'S BIG LETTER DAY.

VISITORS ESTIMATED AT OVER THIRTY-FIVE HUNDRED.

OCALA BASEBALL CLUB DEFEATS CLEARWATER BOYS BY A SCORE OF ELEVEN TO TWO.

Ocala Celebrations Should be Sufficient Cause for Postoffice and Banks to Take a Holiday, Says a Visitor.

Tampa's "Swiftest" Nag Again Suffers Defeat—The Day Ended With a Ball at the Armory in Honor of the Clearwater Ball Tossers—Notes.

Ocala is nothing if not an entertainer of strangers.

Immediately after the big Fourth of July celebration in Ocala was over, Mayor Fishel and other enterprising citizens got their heads together and planned a "bigger and better" gala day for our city than we had on Liberty's birthday.

And the result was yesterday's immense crowd of sightseers in Ocala.

The Plant System alone issued 1984 paid tickets and brought throngs of passengers to Ocala from nearly all points of the state from Punta Gorda on the south to Baker's Mill, above Jasper, on the north. Besides the paid tickets there were many who came on passes, and it is safe to say that more than twenty-five hundred—including children—came over the Plant System.

The Seaboard Air Line, though giving no rates, brought in quite a number of excursionists.

And it is estimated that at least a thousand people came from the county in vehicles, on horseback and on foot. Thus it will be seen that Ocala entertained over three thousand people—perhaps four thousand.

The beginning of the day's program was a bicycle race, in which Moses Liddell captured first prize, and Marcus Frank, the hustling advertising manager of the Boston Store, second.

The race among the colored boys resulted in Henry Dickinson winning first prize, and "Redeye" second.

The sack races, as usual, were full of fun for the spectators as well as participants. Olebia Landers and Walter Young won the prizes in the white boys' contest; and Horace Whaley and Charlie LaBerth won the colored boys' prizes.

Claude Haynes, the "imp" of the Star office, proved to be the best climber of the "greasy pole" and was awarded the ham which had been suspended at the top, besides a cash prize.

The two hose companies, Marion No. 1, and Protective No. 4 and Ocala Hook and Ladder Co. No. 1 gave a splendid exhibition at fighting fire in a small wooden building put up for the occasion. Marion Hose Company got water on the flames first and was declared the winner of the prize.

H. M. Phillips, the balloonist, made a beautiful ascension from the courthouse yard. What came near being a serious accident occurred here. A colored assistant became entangled in the ropes and was taken up about twenty feet in the air feet foremost. He dropped to the ground—without the customary parachute—but aside from a few bruises, escaped uninjured.

The base ball games by both white and colored clubs drew large crowds. The game between Clearwater and Ocala was won by the latter by a score of 2 to 11. The score by innings was as follows:

Clearwater 1 0 0 0 0 1 0 0 0  
Ocala 4 0 0 0 1 6 0 0

The clubs consisted of the following players:

Clearwater: P. Grable, pitcher; De-Rogers, catcher; G. Grable, first base; Souden, second base; Converse, third base; Booth, left field; Butter, center field; Whitesale, right field; Brown, short stop.

Ocala: Gaskill, pitcher; Huchison, catcher; Jewett, short stop; Anderson, first base; Bennett, second base; Brian, third base; Ford, left field; Vogt, center field; Peterman, right field.

The game was noted for the absence of "kicking" usually indulged in on the diamond, and while the players sometimes thought the umpire's decisions wrong, all took things as they came, and the consequence was a

highly enjoyable game. The visitors are a gentlemanly lot of young men, and we hope to see them in Ocala again at no distant day. They were handicapped by the fact that four of the players had never played with the team before. Mr. J. W. Williams was their umpire, and Mr. John Jeffords, a former Ocala boy, is manager of the team. Mr. J. J. Gerig was Ocala's umpire.

Another game has been arranged for this morning and the game will be called at 10 o'clock.

All in all, Ocala did herself proud yesterday. The weather was ideal for such an occasion, the thermometer registering 90°, and everything passed off lovely.

The festivities of the day had a happy conclusion in an enjoyable hop at the armory given in honor of the Clearwaters.

It was largely attended and continued until past midnight.

### NOTES.

The day was a "record-breaker."

Palatka and Deland sent fine delegations.

Train dispatcher Glass had his hands full.

The streets were lined with huckster stands and all report a good trade.

The Montezuma had a long list and was crowded to its full capacity.

The Ocala House had three times as many arrivals as it had on the Fourth.

The daughters and members of the Epworth League were kept busy all day serving refreshments.

Praise of Mayor Fishel is on everybody's lips to-day. He certainly knows how to get up big excursions.

There was too much excitement and fun on the streets to give the State Fair speakers much of an audience.

There was perfect order, no arrests were made and if there were any bad blood it seemed to have been left at home.

One person was very much surprised that the postoffice was open and selling stamps. He thought an Ocala celebration was a national holiday and everywhere respected by Uncle Sam and his officials. And as for the local banks being open and doing business he couldn't understand it a little bit.

We noticed the former Ocalians among the excursionists, viz: J. W. Sylvester, Jacksonville; George Mays and A. E. Hollands, Live Oak; Mr. and Mrs. Wallace Kelsey, Sanford; Prof. J. A. Foskett, Mrs. J. M. Wyatt and Mrs. J. B. Davis and children, Gainesville; Mr. J. N. Edwards, Elmwood; Mrs. J. A. Webber and children, Tampa.

### Ocala a Summer Resort.

### Talked State Fair Yesterday.

Major George P. Healey, general manager State Fair association, Prof. H. E. Stockbridge, secretary, S. H. Gaitskill, treasurer, Captain John H. Stevens, industrial agent for the Plant System, Colonel Syd Carter, Alachua's orator of the "silver tongue," and other prominent Floridians were in Ocala yesterday in the interest of the State Fair, and talked to our merchants, farmers, mechanics and business men generally on the great results that will follow the holding of a state fair at this time. We hope a great interest will be stimulated. It must be made a success.

### The Mayor Files His Veto.

At the last meeting of the city council a franchise was granted the Ocala Suburban Railway company to operate its road on North Third street.

The granting of the franchise did not meet the approval of Mayor Fishel and on Tuesday last filed his message vetoing it.

The mayor has nearly every propertyholder living on either side of the street at his back and holding up his hands.
